

Wishful thinking...

Because dollars are short and needs, long, wishes are plentiful and donated items appreciated more than ever. We asked all Partnership program staff to tell us their wishes and have printed many of their responses here. If you see something on the list that you can provide, or if you have something that's not on the list but that you think might be needed, contact Holly Ashley (697-3829; hashley@partnershipfca.com). ■

Cleaning equipment:

- Rug shampooer
